INTERVIEW QUESTIONS FOR TEACHERS: Interviewer Version

1) What ways do you use presentation software such as Power Point, Prezi or Google Slides within your courses (prompt: e.g., visual support, lectures, uploaded to the school's course management system)?

2) What types of computer technology do you use to teach and communicate with your students? (prompt: includes phone/email, helping them study and evaluating them, inside and outside the classroom)

3) What challenges have you had using computer technology, and how did you overcome them? (prompt: student, teaching and institutional challenges)

4) What helps you use computer technology effectively in your teaching? (prompt: e.g., training for teachers, expert help from someone, personally owned software, personal motivation, high level of knowledge in how to use computer technology)?

5) When you have students with disabilities in your courses, what changes, if any, do you make to how you use computer technology? (prompts: e.g., blind, Deaf, LD, ADHD, mental health; ask about what disability(s) the students had)

6) When you have students whose mother tongue is neither English nor French in your courses, what changes, if any, do you make to how you use computer technology?

7) Is there any type of computer technology that you wish you could use in your courses? (If yes: What prevents you from using these?)

8) Do you have any advice for those who would like to use computer technology in their courses? (prompt: If yes, please give some examples.)

   Ask question nine <u>after</u> the interviewee has completed the checklist.

9) Have I forgotten anything? Is there anything else you would like to mention?
